### NOTICE

#### Subject : Smart India Hackathon 2019

All students and faculties are informed that Smart India Hackathon 2019 problem statements are available [www.sih.gov.in](http://www.sih.gov.in) where teams can register and submit their idea solutions. These are problem statements from industries, NGOs and ministries.

Here is a brief snapshot of the process flow :

- College has initiated the process of appointing SPOC (Dr. Latesh Malik, Head Computer Sc. & Engg.)

- Team leader would form a team of 6 including him/her and register the team at the portal.

College authority letter mandatory for team registration!

- All team members have to be from the same college

- One team will have a unique team name only. As a team, they can submit solutions to multiple problem statements.

- College SPOC is expected to authenticate his/her college teams before they can select problem statements and upload idea solutions

- Once teams submit their ideas, College SPOC is expected to view the team's idea submission, ensure that it is in order and submit it to SIH team for evaluation purpose

Interested students shall contact to Dr. Latesh Malik, Head Computer Sc & Engineering. Last date of online submission is 20 January 2019.
